

Dickies ‘What’s Your Fit’ Event

by Matt Ho | May 30, 2012

CONTRA hit up Dickies’ ‘What’s Your Fit’ Event held at Community 54’s Toronto location in Parkdale to check out a couple new pieces that the brand was ready to display for us. We got to see the new

Spring 2012 line that includes several basic tees, which included the limited edition Graphic Ringer shirt. In terms of tops though, the highlight was definitely the short sleeves Button Front Work Shirt and the Eisenhower Jacket, both of which are strong contenders in the line. Simple, high-quality silhouettes that'll match just about anything in the closet. Of course, what point is there to talk about Dickies if we don't focus on the pants? The brand has gone in an interesting direction with the skinny straight fit style for both pants and shorts. If that's not your cup of tea, they also revealed loose fits and regular fits in a tonal look, as well as plaid patterns for those who want a bit of flash. Overall, it looks like Dickies' has stayed fairly traditional in design, while pulling a few subtle twists to cater to the modern crowd.
